

# COME TO OUR INFO SESSION!

**WED. 9/1 & FRI. 9/3 5:30-6:00 P.M EST**

Looking for a mentor to guide you through any stage of your computer science journey?

## **PATHWAYS PROGRAM**

**FALL 2021**

- **11 weeks, 2 sessions/week**
- **Sept. 20th to Dec. 11th**
- **Monday + Wednesday**
- **Completely virtual**

A non-profit organization run by undergraduate and graduate students from Duke University aimed at teaching and mentoring historically underserved students in computer science.

### THE PATHWAYS

#### **PATHWAY #1**

**Learn interactive animation and game design on Code.org**  
**(Grades 7-9) (5-6PM EST)**

#### **PATHWAY #2**

**Work through an exciting introduction to Python on CodeHS**  
**(Grades 8-11) (5-6PM EST)**

#### **PATHWAY #3**

**Develop a robust Python foundation through an advanced CodeHS curriculum**  
**(Grades 10-11) (5-6:30PM EST)**

### BUILDER'S WORKSHOP

**NEW!**

**Open to all students who feel comfortable applying their knowledge of Python to self-directed projects**  
**(All grades) (5-6:30PM EST)**
