MOST COMMON PLATFORMS: EXPLAINED

	WHAT IS IT?	WHAT DO I USE IT FOR?	NetID REQUIRED?	FREQUENCY OF USE	
ADMINISTRATIVE					
FuquaWorld	Central hub of information for all of Fuqua	Our secured intranet, FuquaWorld gets you connected to other Duke or Fuqua platforms (DukeHub, FuquaConnect, Canvas, CareerBridge, etc.) and search the student/faculty/staff directory.	Yes	If you're not sure where to look for something, search FuquaWorld first.	As needed
DukeHub	Duke-wide Student Information System	Contains official academic record information. You can register for courses, view your academic history/record, check most up-to-date course schedule, monitor bursar account activity, request an official transcript, and make address or personal information updates.	Yes	Check bursar info monthly to make sure your account is current. You will receive an email alert when you have a bursar bill.	As needed
ACADEMIC					
Canvas	Learning Management System (LMS)	Each of your courses will have a dedicated Canvas site where you can view Fuqua course syllabi, readings, assignments, due dates, etc. Professors will also use Canvas to send announcements about class. *Note: Canvas also hosts your Incoming Student Website (ISW)!*	Yes	You will be notified via email when professors post a Canvas announcement.	Daily
CAREER					
Fuqua CareerBridge	Recruiting and career search platform	CareerBridge supports the career search by facilitating connections between students and prospective employers. You can schedule career coaching appointments, sign up for employer presentations, view and apply to job postings, and manage campus interview schedules.	Yes	Access to CareerBridge for incoming students will be granted during Summer Term.	Daily
STUDENT LIFE					
FuquaConnect	Club and extracurricular management and events platform	View and join clubs and organizations (plus select Fuqua Administrative offices like OSL!), view a calendar of extracurricular events and programming, sign up to receive club newsletters, and RSVP for events.	Yes	FuquaConnect is the main platform to learn about student clubs/orgs. and upcoming events.	Daily
Slack	Student communication platform	Slack is Fuqua's student-run workspace and communication platform. A space for both FYs and SYs to connect and build community, Slack supplements the student or club-related communications sent via email or through FuquaConnect.	No (Duke email)	Members of the Class of 2026 will be invited to join Fuqua's official Slack in the weeks leading up to Orientation.	Daily
MISCELLANEOUS					
Fuqua411	Aggregator of resources and answers to common student questions	Learn how to get stuff done at Fuqua. The Fuqua411 contains everything from key academic policies, to how to order Fuqua-branded swag for your club or student organization, to how to plan a big or small student event, to wellness resources. The Fuqua411 is useful for all students, but particularly helpful for club leaders or students planning events.	No	As needed. If you have a question about a Fuqua policy or best practice, check the Fuqua411 first.	As needed

DUKE & FUQUA MOBILE APPS

DUKE & FUQUA MOBILE APPS

APP	WHY DOWNLOAD?	HOW TO DOWNLOAD:
Canvas	Review your ISW (including Orientation information!) and Fuqua course materials anywhere!	Search "Canvas" in the app store (full app name is "Canvas Student"). Once you open the app, search "Fuqua"* when prompted to enter your institution, login with your Duke NetID and password, and click "Authorize" to allow the Canvas app to access your Fuqua courses.
CORQ	View FuquaConnect clubs and organizations, browse the extracurricular calendar, RSVP to events, and add event details directly to your calendar.	Search "CORQ" in the app store. Once you download the app, you will need to select "FuquaConnect" as your campus when prompted and login with your Duke NetID and password.
DukeMobile	The DukeMobile app is your connection point to many Duke University resources and information, like news, the Duke campus map, DukeCard office, and Duke Athletics.	Search "DukeMobile" in the app store.
Duo Mobile	The Duo Mobile is Duke's system for multi-factor authentication (MFA). MFA is required to login to most Duke services that use your NetID and password.	Search "Duo Mobile" in the app store. Additional instructions available here.
Libby	Duke University Libraries and the Ford Library at Fuqua have partnered with OverDrive to offer downloadable eBooks and audiobooks that you can enjoy on all major devices.	Search "Libby, by OverDrive" in the app store. You don't need to create an account; when you first download the app, you can simply click "Continue" and then select the Duke University library system.
LiveSafe	The LiveSafe app helps the Duke University Police Department (DUPD) maintain a safe campus community. The app facilitates real-time, two-way communication between members of the Duke Community and DUPD, allowing users to receive emergency alert notifications and share anonymous tips with campus police.	Search "LiveSafe" in the app store. Create your profile and select Duke University.
Mersive Solstice	The Solstice App allows you to connect via AirPlay your Apple device to the monitors in Fuqua's team rooms and team room space on the 2nd floor (near the library).	Search "Mersive Solstice " in the app store and download "Mersive Solstice App". Follow prompts on monitors in team rooms to connect device.

DUKE & FUQUA MOBILE APPS

APP	WHY DOWNLOAD?	HOW TO DOWNLOAD:
Microsoft Outlook	The Microsoft Outlook app is the Duke's Office of Information Technology (OIT) recommended platform for accessing your Duke Email account on your mobile device. You can also use the built-in mail app on your iPhone or Android device, but the OWA app is not supported for use with Duke email.	Search "Microsoft Outlook" in the app store. Enter your NetID@duke.edu email address and click "Open Authenticator". Enter NetID@duke.edu as your username, your NetID password, and authenticate via Multi-factor authentication. *Additional instructions available* here.
Mobile Ordering	Beat the lunch rush and order a set menu of options from Duke Universities may dining vendors.	Search "Transact Mobile Ordering" and select "Duke University" as your campus. Login with your NetID and password. *Note: you will need to add a credit card under payment methods in order to take advantage of mobile ordering.*
Slack	Stay connected with the Fuqua community across channels and direct messages, all while on the go.	Search "Slack" in the app store. Once you open the app, hit "Sign In" and then "Email me with a magic link". Enter your Duke email address and follow the instructions.
Transact	Use Transact eAccounts to view your mobile DukeCard's account balance, add money, track recent transactions and add your DukeCard to your digital wallet. Review instructions on how to add your DukeCard to your mobile device here.	Search "Transact eAccounts" in the app store. Once you open the app, hit "Get Started". Select "Duke University" on the institutions list and click "eAccounts Portal". Enter your Duke email address and follow the instructions.
TransLoc	If you plan on using the Duke Transportation System to get around campus, TransLoc is your resource for up-to-date bus route information and timing.	Search "TransLoc". Under "Settings" (the gear icon in the top right), select the Duke University transit system.
