

Nursing Career Development Expo

The Expo is open to all Duke Health Nurses. This session will include nursing schools from across North Carolina that offer BSN, MSN, DNP, CRNA and PhD degree programs.

Nurses will learn about:

- RN to BSN programs
- Benefits of an advanced degree
- How to choose a school
- Differences of online, on-campus and hybrid programs
- Financial considerations
- How Duke can help

Register for one of the following sessions in API using Course **#EDS1107**
