**Orange County Convention**  
**Center, West Building**  
**Valencia Room A**  
**8:00 am – 5:37 pm**

**The Hip Society and The  
American Association of Hip  
and Knee Surgeons**

**Course Objectives**

The objectives of the Open (Winter) Meeting of The Hip Society and AAHKS are to provide up-to-date information on the treatment of hip conditions, including non-arthroplasty options, and the latest surgical techniques as well as the current thinking on bearing surfaces. Other objectives address the difficult primary THA and complication management and include an update on revision THA.

**CME Accreditation**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Orthopaedic Surgeons and The Hip Society. The American Academy of Orthopaedic Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

The American Academy of Orthopaedic Surgeons designates this live activity for a maximum of **7.75 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Course Description**

This course is divided into 12 dynamic symposia sessions covering a wide range of topics on primary and revision THA, perioperative complications, and thought-provoking controversies. Highlights include panels of world-recognized experts, case-based discussions, a video-based symposium, and new and impactful findings from joint registries around the world, The Hip Society's Scientific Awards, and a Young Investigator presentations. The Presidential Guest Speaker will be Michael M. Morlock, PhD (Hamburg, Germany) who will present on, "Taper Corrosion in THA: What Causes It? Why Are We Seeing It Now?"

**Intended Audience**

The intended audience is orthopaedic surgeons, fellows, residents, and allied health professionals.
