The Basics of Shooting & Editing Photos with your iPhone

Michael Palko

A hand holding a white smartphone against a dark background. The phone's screen is blue and displays the text 'Thank you' in white. The phone has a single camera lens and a flash at the top, and a home button at the bottom.

Thank
you

Some advice:

- Shoot. Edit. Repeat.
- *“Do good work, then put it where people can see it.”*

~ Austin Kleon
