Please note that our lectures will usually be held in Murphey Hall (MU) at Polk Place, although the dates and locations for the spring lectures are still to be determined. This building is located on the University of North Carolina campus, on the main quad between Cameron Avenue and South Road. Parking is available at various locations on campus including at the Morehead Planetarium. A brief reception, during which refreshments will be served, will be held after each lecture.

These lectures are free and open to the public so spread the word to anyone who would be interested in attending! If you have any questions about the lectures please contact Hérica Valladares (Triangle Society President) by email at [hericav@email.unc.edu](mailto:hericav@email.unc.edu)

We are constantly updating our mailing list so please contact us if your address changes or if you are receiving duplicate mailings. We are especially excited to welcome our current AIA members!
