Webinars

AGS-AGING Webinar to Focus on Multiple Chronic Conditions

A new AGS-AGING Initiative webinar,

["Decision Making and Action Steps with Older Adults with Multiple Chronic Conditions,"](#) will take place

Friday, October 11. This webinar is based on actual encounters between patients and clinicians and is designed to model and teach the knowledge and skills needed to participate in this approach to decision-making and care.

Participants will have the option to apply for 1 AMA PRA Category 1 Credit(s). The panelists will be Cynthia M. Boyd, MD, MPH, Caroline S. Blaum, MD, MS, and Mary E. Tinetti, MD, FGSA. The moderators are Leah Hanson, PhD, and Heather E. Whitson, MD, MHS.

New GSA Webinar Slated for October 25

GSA's next webinar, "[Advancing International Research in Residential Long-Term Care With Common Data](#)," is scheduled for Friday, October 25. This webinar will review Worldwide Elements To Harmonize Research In long-term care liVing Environments (WE-THRIVE), an initiative to identify long-term care common data elements that can be implemented internationally for the purpose of supporting older adult

thriving. The presenters will discuss four key measurement domains of organizational context, workforce and staffing, person-centered care, and care outcomes, as well as explore opportunities for participants to engage in consortium efforts. The webinar will be led by Adam Gordon, PhD, MB, ChB, MMedSci(Clin Ed), FRCP, FRCPEdin, and Michael Lepore, PhD.

One Health: Creating Our Shared Future – Humans, Animals, and the Environment
