### Save the Dates!

**Teach More About Teams: Interprofessional Training Opportunity**
- For clinicians who supervise health professions learners in patient care settings
- **Program Details**
  - Monday, Jan 25 @ 5 pm-6:30 pm: Introductory large group session
  - Jan 26 through March 4: Weekly small group synchronous sessions
  - Ongoing small group asynchronous activities
  - Friday, March 5 @ 12 pm-1:30 pm: Wrap-up large group session and small group presentations
All activities will be conducted virtually.

- Sponsored by an education grant from Duke AHEAD | Info: [https://dukeahead.duke.edu/teach-teams](https://dukeahead.duke.edu/teach-teams)
- If interested in participating, submit your interest by December 31 via [TMAT Registration](https://dukeahead.duke.edu/teach-teams)

**Duke Center for REACH Equity 2021 Annual Colloquium**
- Monday May 10, 2021 – 9:00am-12:00pm via Zoom
- Keynote speaker: Eliseo J. Perez-Stable, MD – Director, NIMHD
- [https://sites.duke.edu/reachequity/](https://sites.duke.edu/reachequity/)

### Calls for Applications

**Physician-Scientist Strong Start Award Program: Deadline Feb. 1, 2021**
- [https://medschool.duke.edu/about-us/faculty-resources/support-and-funding-opportunities/physician-scientist-strong-start-award-program](https://medschool.duke.edu/about-us/faculty-resources/support-and-funding-opportunities/physician-scientist-strong-start-award-program)
- The goal of this program is to nurture the careers of junior, laboratory-based physician-scientists at Duke. By offering substantive mentoring and financial resources, this award will support junior, physician-scientist faculty during a critical period of their career, the transition to research independence.
- 5 awards, $75,000 each, renewable for up to 3 consecutive years

**Duke CTSA TL1 Fellowship for junior scientists: Applications due Jan. 19, 2021**
- MD program website: [https://www.ctsi.duke.edu/TL1-physician-research-fellowship](https://www.ctsi.duke.edu/TL1-physician-research-fellowship)
- PhD program website: [https://www.ctsi.duke.edu/TL1-postdoc-training-program](https://www.ctsi.duke.edu/TL1-postdoc-training-program)

**Microsoft-Duke AI Health Fellow Placement call for proposals: Deadline Jan. 4**
- For more information, including instructions on how to submit a proposal, please click here: [https://aihealth.duke.edu/announcement-2/](https://aihealth.duke.edu/announcement-2/)

**AGING Initiative MCCs Scholars Program: Applications due Jan. 8, 2021**
- To learn more, please see the request for applications (RFA), as well as the frequently asked questions (FAQ).
- View the recording from our MCCs Scholars Informational Webinar: [https://www.youtube.com/watch?v=7VxfGR6PdhI&feature=youtu.be](https://www.youtube.com/watch?v=7VxfGR6PdhI&feature=youtu.be)

**NIH Health Disparities Research Institute 2021: Applications accepted 2/1/2021-3/8/2021**
- For more information, including eligibility and instructions on how to apply: [https://www.nimhd.nih.gov/programs/edu-training/hd-research-institute/](https://www.nimhd.nih.gov/programs/edu-training/hd-research-institute/)
- The Institute will be fully virtual and will run from August 9-13, 2021
