

# How to sign up for RuneStone online textbook

- First, **get the special course name** that is in an announcement on our Sakai site.
- Then follow these steps.
- We request that you give a donation of \$10-\$20 when you sign up for the textbook.

Go to `https://runestone.academy/`  
and click on **Sign Up**

The screenshot shows a web browser at the URL `https://runestone.academy/user/login?_next=/`. The navigation bar includes links for "Our Library", "Runestone News", and a blue "Sign Up" button with a person icon. A large blue arrow points from the right side of the image to the "Sign Up" button. Below the navigation bar, the page features the Runestone Academy logo (a stylized 'A' on a book) and a "Login" form with fields for "Username" and "Password", a "Remember me" checkbox, and buttons for "Login", "Lost Password", and "Forgot Username".

### About

The mission of Runestone Academy is to democratize textbooks for the 21st century. Textbook prices are too high, and paper textbooks are too old fashioned. We are changing that. Runestone Academy Provides:

### How can I help?

This project is free and open source. We would like to grow and add support staff, authors, and developers. This takes time, money, and volunteers. We welcome your help with code, editing, bug fixes almost

# Give a \$10-\$20 donation! What a deal for a textbook!

The image shows a browser window with the URL <https://runestone.academy/donate>. The page has a navigation bar with "Our Library" and "Create a Course" links. The main content area is titled "Support Runestone Interactive" and contains the following text:

Your support of Runestone Interactive is vital to our future. Runestone has grown from one introductory computer science course in 2012 to supporting thousands of courses and hundreds of thousands of students! Since the Fall of 2018 Runestone Academy has saved students over \$21 million in textbook fees!

Your support ensures that great interactive textbooks will remain free. It also:

- Supports the ongoing development of the Runestone platform.
- Motivates new authors to write more books on new topics.
- Pays our server bills.
- Creates resources to train and support instructors.

Thank You!
