

HEALTHSTREAM CE UNLIMITED

We are excited to announce that we are ready to go live with our HealthStream CE Unlimited courses. This site provides many educational resources to help you meet your required CE credits and professional development goals. There are thousands of readily available courses that you can access that provide current EBP information to help you remain up-to-date on changes and advancements in care through CE Unlimited' s dynamic library of resources.

HEALTHSTREAM CE UNLIMITED provides the following:

- 2,000 + Multi-Disciplinary CE Titles
- 5 Challenge tracks (Med/Surg, Pediatrics, Mother/Baby, CNA, Telemetry)
- 40+ RN Specilty CertPrep Programs
- 20+ Skills based virtual simulations
- Complimentary CE Unlimited mobile app

TO ACCESS:

- Users should access HealthStream by using this link: [HealthStream CE Unlimited](#)
- Access has been set up to use your Duke NET ID and Password. Do not use your unique ID to try and access
- Once you have accessed the site, take a few moments to review the content on the home page. To access the available learning, click on “catalog” tab that is located near the top of page, towards the middle
- You can either type in the topic you are looking for in the search bar, or use the menu options on the left to locate learning

IF YOU ARE NOT ABLE TO ACCESS:

- CEPD will have to grant you access. To do this, you will need to provide the needed information by using this link: [HEALTHSTREAM ACCESS](#)
- Please note that it can take up to 3 business days to obtain access
