How to fill out application form

1. Basic information (数据表)

—— (1) Basic research; (2) Applied research; (3) Comprehensive research; (4) Other

—— Subject or discipline

—— Team members

How to fill out application form

2. Research Proposal (课题设计论证)

(1) Why you choose this topic (选题依据)

- title
- abstract
- literature review (classic works and new trends)
- theoretical significance and value for application

How to fill out application form

(2). Content (研究内容)

- clarify research problem and questions (研究对象与总体框架)
- theoretical contribution and methodology (重点难点)
- research propose/goal (主要目标)
- writing style

How to fill out application form

(3). Methodology(思路方法)

- Make mind mapping according to your research theme (基本思路)
- Methodology (具体研究方法)
- Research plan (研究计划)

(4). Creativity (创新之处)

creative and critical thinking in theory and method, value for application

How to fill out application form

(5) Anticipated results(预期成果)

—— monograph, journal paper, research report and so on.

(6) Reference (参考文献)

—— Pay attention to citation and format of reference

How to fill out application form

3. Research Basis (研究基础和条件保障)

(1). Academic CV

(2). Research basis

briefly introduce your works and publication

(3). Previous research project

(4). relevance to your PhD or previous project

(5). Research condition
