ASPB Names 2022 Award Recipients

ROCKVILLE, MD - The American Society of Plant Biologists (ASPB) is pleased to announce the recipients of its 2022 awards, which honor distinction in service, outreach, education, and research.

Adolph E. Gude Jr. Award

Beronda Montgomery, *Michigan State University, East Lansing*

Charles Albert Shull Award

Lucia Strader, *Duke University, Durham, North Carolina*

Charles Reid Barnes Life Membership Award

Peggy Lemaux, *University of California, Berkley*

Charles F. Kettering Award

Christine Foyer, *University of Birmingham, United Kingdom*

Early Career Award

Emily Josephs, *Michigan State University, East Lansing*

Enid MacRobbie Corresponding Membership Nominees

Corresponding Member status is conferred by election on the Society's annual ballot. This honor, initially given in 1932, provides life membership to distinguished plant biologists outside the United States. The following individuals have been nominated this year:

Nicolas Smirnoff, *University of Exeter, United Kingdom*

Tzzy-Jen Chiou, *Academia Sinica, Taiwan*

Andreas Schaller, *University of Hohenheim, Germany*

Excellence in Diversity and Inclusion Award

Thelma Madzima, *University of Washington, Bothell*

Excellence in Education Award

Thelma Madzima, *University of Washington, Bothell*

Fellow of ASPB Award

Erich Grotewold, *Michigan State University, East Lansing*

Georg Jander, *Boyce Thompson Institute at Cornell University, Ithaca, New York*

Jiming Jiang, *Michigan State University, East Lansing*

Pamela Ronald, *University of California, Davis*

Yunde Zhao, *University of California San Diego, La Jolla*

Lawrence Bogorad Award for Excellence in Plant Biology Research
Manajit Hayer-Hartl, *Max Planck Institute of Biochemistry, Germany*

Robert Rabson Award
Berkley Walker, *Michigan State University, East Lansing*

Stephen Hales Prize
Xinnian Dong, *Duke University, Durham, North Carolina*

###

ASPB is a professional scientific society, headquartered in Rockville, MD, that is devoted to the advancement of the plant sciences worldwide. With a membership of some 3,000 plant scientists from throughout the United States and around the world, the Society publishes two of the most widely cited plant science journals, [The Plant Cell](#) and [Plant Physiology](#), and co-publishes the Open Access journal [Plant Direct](#). ASPB also hosts the annual [Plant Biology](#) conference; supports plant science outreach, engagement, and advocacy; and powers the [Plantae](#) digital ecosystem for plant scientists. For more information about ASPB, please visit <https://aspb.org/>. Also follow ASPB on Facebook at [facebook.com/myASPB](https://www.facebook.com/myASPB), on Twitter [@ASPB](#), and on LinkedIn at <https://www.linkedin.com/company/98656>.
