Internships & Co-Ops for Mechanical Engineering Majors

Internships & Co-ops for MECHANICAL ENGINEERING MAJORS

Catapult Leaders

If you want an Internship or Co-op opportunity that can lead to **your dream job** as a Mechanical Engineering major, you need to stop thinking small. Instead, think BIG!

Catapult Leaders has been asked by some of the world's best companies to find outstanding college interns who can help them continue as leaders in their markets. These companies want to continue to grow. As a result, your career will too. **That's thinking BIG!**

For the best college interns, this is a dream job.

If you're interested, here's what an internship with them is all about. As an intern, you will:

- work with top-tier business teams.
- **learn something meaningful that impacts the world.**
- get access to the company's senior leadership and mentors who will support & guide you.
- **be pushed beyond what you've learned in class and outside your comfort zone.**
- improve your professional capabilities and your people skills.
- **take part in a powerful onboarding process.**
- get the opportunity to learn, to lead, and to grow every single day of the internship.
- **get a jumpstart on your career for a world-class company.**

These companies come to Catapult Leaders because they want college students who are majoring in Mechanical Engineering (they also like Electrical Engineering and Industrial Engineering majors). But, you must also be:

- excited about your future career.
- **highly motivated.**
- results-driven.
- **team-oriented.**
- willing to learn.
- **willing to stretch and be the best you can be.**

If all of the above gets you excited, you've got what it takes.

If you want this internship, send your resume (quickly!) to:

Sally@CatapultLeaders.com

Include your LinkedIn link on your resume.

We will follow-up with you regarding next steps.

Our client companies have internship/co-op opportunities throughout the year.

Catapult Leaders is America's leading executive search firm that matches Black Mid-to-Senior level managers, Early Career talent, and College Interns with Engineering, Supply Chain, Computer & Data Science, and Marketing roles at top companies that value a diverse pipeline, equity, and inclusion.

Mechanical Majors! Email your resume to Sally@CatapultLeaders.com if you are interested in securing an internship in the fields of engineering, supply chain, computer & data science, marketing, etc. at some of the top companies in the country.
