

Reprinting DME Orders-two ways-You've written an order for DME and it needs to be reprinted. How do you do that?

1. If it's still in Meds and Orders, click on "Report" and reprint from there.

The screenshot shows the 'Meds & Orders' section of a medical software interface. The top navigation bar includes 'Chart Review', 'Charting', 'Plan', 'Wrap-Up', 'Order Review', 'Immunizations', 'Disease Mgmt', 'Patient Screening', 'Graphs', and 'HM'. The main content area is titled '3/5/2020 visit with Nadler, Elisabeth B, MD for Office Visit'. On the left, there's a 'Visit Diagnoses' section with a search bar and a table of common diagnoses. On the right, the 'Meds & Orders' section is active, showing a list of orders. A red box highlights the 'Wheelchair cushion' order, and a red arrow points to the 'Report' button next to it. The order details show it was ordered on 3/6/2020 and authorized by NADLER, ELISABETH B.

The screenshot shows the 'Order Report' section of a medical software interface. The top navigation bar includes 'Chart Review', 'Charting', 'Plan', 'Wrap-Up', 'Order Review', 'Immunizations', and 'Disease Mgmt'. The main content area is titled 'Order Report'. A red arrow points to the 'Wheelchair cushion (Order 39876)' entry. The order details show it was ordered on 3/6/2020, the department is Duke Primary Care South Durham, and the ordering/authorizing physician is Nadler, Elisabeth B, MD. The order information table shows the order date/time as 03/06/20 05:35 AM, the release date/time as None, and the start date/time as 3/6/2020. The order details table shows the frequency, duration, and priority.

2. If it's not there or needs to be reprinted later, you can still find it in "Other Orders" in Chart Review.

The screenshot shows the 'Chart Review' section of a medical software interface. The top navigation bar includes 'Chart Review', 'Charting', 'Plan', 'Wrap-Up', 'Order Review', 'Immunizations', 'Disease Mgmt', 'Patient Screening', 'Graphs', 'Order Report', and 'HM'. The main content area is titled 'Chart Review'. The 'Misc Reports' dropdown menu is open, and a red box highlights the 'Other Orders' option. The 'Other Orders' option is highlighted in blue. The 'Recent Visits' section shows a visit on Yesterday for an Office Visit with Me, with the description 'Routine general medical examination at health care facility (Primary Dx): Pa'.

Scroll WAY down until you find the Reprint Requisition option and print from there.
