Duke Research in Engineering Program
2024 Teacher Recommendation Form Instructions

Duke Research in Engineering Program (DukeREP) is a 7-week summer program hosted by the [Biomedical Engineering Department](#) (BME) for high school students with an interest in science and engineering. DukeREP aims to introduce high school students to academic research and encourage them to pursue higher education and careers in STEM. For more information about DukeREP, visit our website: https://sites.duke.edu/dukerep/

Instructions for teachers submitting a recommendation letter on behalf of a DukeREP applicant:

1. Please write a letter of recommendation that addresses the following:

   What are the applicant's greatest strengths? What are the applicant's areas for improvement? Please discuss these qualities in the context of academics and community involvement.

   Optional: We welcome any information that will help us to differentiate students. Is there anything else you would like to tell us about the applicant?

2. Upload your letter to the online Teacher Recommendation Form:
