Durham Area Map
Please find below a detailed map of the Duke Clinics, otherwise known as Duke South Hospital. This is where the Duke Geriatric Offices are located along with the Center for Aging in the Blue Zone of Duke South. We are easy to find if you follow signs for Clinic 2N and just continue to head as far back as you can. Center for Aging main offices are on the 3rd floor. Dr. Heflin and Susanne Harris have their offices on the 2nd floor.

**1st Floor**

Ctr for Aging Conference room is here on 3rd floor, RM 3512

If you park in the Duke Clinic Parking Garage:

Please use the covered walkway located on level two of the parking garage to enter the Duke Clinic Reception Building. If you need assistance, there is an information desk on the second level of the parking garage.

**Important Note:**

Once you have arrived, please follow signs for Clinic 2N. Once you have reached Clinic 2N you will see a Blue elevator. Take that to the 3rd floor and make a quick right and right. The Center for Aging’s Conference Room 3512 is located about 2/3 the way down the hall on the right side.

**Duke Clinics Address for GPS:**

200 Trent Drive or 40 Duke Medicine Cir
Durham, NC 27710
