

JOIN THE ASSOCIATION FOR WOMEN IN SCIENCE (AWIS)

The Association for Women in Science supports a global network of like-minded women and allies committed to advancing women in science, technology, engineering, and math. As an institutional partner, Duke University is pleased to offer our students, faculty, and staff the ability to become AWIS members.

ADVANCE YOUR CAREER

through networking, career resources, and recognition opportunities

GET INSPIRED

by learning best practices, promoting equity and diversity, and meeting women in STEM
