

## Professional MEMtality

*Practicing the five principles with a professional state of mind*

### APRIL 2021

*Congratulations to these MEM students for being outstanding examples of professionalism!*

#### Shantanu Thube: **Critical Thinking**

*"Shantanu is highly creative when it comes to his presentations and solutions. The best thing about him is his ability to ask the right questions that make you think!"*

#### Eucaly Fan: **Teamwork**

*"Eucaly contributes with positivity and appreciation. Even though she is studying remotely, she is engaged with the MEM community and interested in the collective team's success"*

#### Diggaj Vyas: **Humanness**

*"Diggaj has been generous in his words and actions with classmates, staff and friends... His enthusiasm and positivity are infectious."*

#### Katie Wu: **Communication**

*"Katie was part of the planning and execution of the MEM Executive Challenge, shaping the promotional campaign and providing a student perspective... Through her actions, Katie is demonstrating what living MEM's P5P is all about!"*

*Professional MEMtality will return in August 2021!*
