6 - Please elaborate on your impressions of the quality of the course.

Response Rate 3/6 (50%)

- A great course to bring practical learning and apply for projects of your interest to connect your theoretical learnings.
- The course work is well designed to put all our learnings from remaining courses. Working with a real business client gave us a lot of insights that otherwise wouldn't have been possible to learn in a class based setting.
- This course gave us a real insight into how Consulting projects work and how to approach and structure real life open ended business problems
