Saturday, March 5, 2016
Orange County Convention Center, West Building
Valencia Room D
7:50 am – 5:15 pm

Arthroscopy Association of North America

“To promote, encourage, support and foster through continuing medical education functions, the development and dissemination of knowledge in the discipline of arthroscopic surgery”

Statement of Need
The need for this activity has been determined based on identifying professional practice gaps, previous course evaluations and the AANA Self Assessment. The educational content of this activity was based upon current issues and topics provided by the Arthroscopy Association of North America planning committees and membership.

Target Audience
The target audience is AANA members and other healthcare professionals who desire to improve their arthroscopic knowledge, competence, performance, and patient outcomes.

Global Learning Objectives
This comprehensive educational meeting provides learners with opportunities to:
• Examine and apply basic scientific information and technical skills in arthroscopic surgery.
• Update knowledge regarding state-of-the-art advances in arthroscopic surgical treatment.
• Evaluate the current evidence base for diagnosis and clinical management of joint disorders.
• Review their current practice management expertise and develop a plan to increase their expertise.
• Develop new clinical and technical skills to improve the everyday practice of arthroscopic surgery

Accreditation
This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education. The Arthroscopy Association of North America (AANA) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AAMA PRA Category 1 Credit™ Designation
The Arthroscopy Association of North America designates this live educational activity for a maximum of 7.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclaimer Statement
The methods, techniques, and procedures demonstrated and views and opinions expressed by speakers, presenters and faculty are their own and do not necessarily represent those of the Arthroscopy Association of North America (AANA), nor does presentation on the program represent or constitute endorsement or promotion by AANA.

AANA expressly disclaims any warranties or guaranties, expressed or implied, and shall not be liable for damages of any kind in connection with the material, methods, information, techniques, opinions or procedures expressed, presented or demonstrated.

Disclosure Statement
In accordance with the Accreditation Council for Continuing Medical Education Standards for Commercial SupportSM (SCS 2.3) it is the policy of AANA that all planners, teachers, and authors who are in the position to control the content of an education activity are required to disclose to AANA, the accredited provider and the activity audience, all relevant financial relationships. An individual has a relevant financial relationship if he/she (or spouse/partner) has a financial relationship in any dollar amount that has occurred during the previous 12 months with a commercial interest whose products and services are discussed in the CME activity content over which the individual has control. A commercial interest is defined as any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The ACCME Standards for Commercial SupportSM (SCS 2.3) requires accredited CME providers to resolve all identified potential conflicts of interest any individual in a position to influence and/or control the content of CME activities prior to the education activity being delivered to learners. AANA has implemented mechanisms prior to the planning and implementation of each CME activity to identify and mitigate conflicts of interest for all individuals in a position to control the content. All Conflict of Interest Disclosures will be provided in the final activity materials provided to the program participants.

7:50 am – 8:00 am Welcome and Opening Remarks
Jeffrey S. Abrams, MD, AANA President
John M. Tokish, MD, AANA Education Committee Chairman

8:00 am – 9:15 am Session I: Shoulder Instability
Moderator: Jeffrey S. Abrams, MD
8:00 am
What I Still Need to Teach You About the Scope and Anterior Instability
Russell F. Warren, MD
8:10 am
The Narrowing Indications for the Arthroscopic Bankart and How to Decide
Robert H. Bell, MD
8:20 am – 8:30 am Innovation Spotlight: The Arthroscopic Latarjet: Lessons Learned and Current Evolution
Laurent Lafosse, MD
8:30 am - 9:15 am Mini-Symposium: Critical Issues in Shoulder Instability
8:30 am – 8:40 am The Case for the 19 Year-Old First Time Dislocator Athlete
8:30 am
Fix Him Now
Brett D. Owens, MD
8:35 am
Wait and See
Alan S. Curtis, MD

Arthroscopy Association of North America
8:40 am – 8:50 am The Role for Remplissage in Augmenting Moderate Bone Loss  
8:40 am A Great Path to the Top of the Mountain!  
John D. Kelly, IV, MD  
8:45 am A Short Road Off a Cliff!  
Robert T. Burks, MD  
8:50 am Innovation Spotlight: Posterior Instability: Every Trick I Have  
Anthony A. Romeo, MD  
8:57 am Innovation Spotlight: Technical Considerations with the Bony Bankart  
Peter J. Millett, MD  
9:05 am – 9:15 am Panel Question and Answer  
9:15 am – 10:00 am Session II: Shoulder SLAP Tears, Biceps and the Throwing Shoulder  
Moderator: Richard KN Ryu, MD  
9:15 am What I Still Need to Teach You About the Scapula  
W. Benjamin Kibler, MD  
9:25 am What I Still Need to Teach You About the Throwing Shoulder  
James R Andrews, MD  
9:35 am What I Still Need to Teach You About the Biceps Tendon  
Richard J. Hawkins, MD  
9:45 am – 10:00 am Panel Question and Answers  
10:00 am – 10:20 am Break  
10:20 am – 11:15 am Session III: Shoulder Rotator Cuff  
Moderator: Mark H. Getelman, MD  
10:20 am Innovation Spotlight: Superior Capsular Reconstruction for Massive Irreparable Tears  
Terubisu Mihata, MD  
10:30 am – 10:40 am The PASTA Debate  
10:30 am Take it Down and Repair it!  
Stephen C. Weber, MD  
10:35 am Fix it In Situ!  
Nikhil N. Verma, MD  
10:40 am The Role of Biologics in Rotator Cuff Repair: Where are we in 2016?  
Jason Dragoo, MD  
10:50 am How to Get the Massive Repair Right and When to Throw in the Towel  
Jeffrey S. Abrams, MD  
11:00 am – 11:15 am Panel Question and Answer  
11:15 am – 12:00 pm Session IV: Knee Meniscus and Articular Cartilage  
Moderator: Robert E. Hunter, MD  
11:15 am Innovation Spotlight: Repairing the Most Difficult of Menisci: Roots, Radials and Revisions  
Nicholas A. Sagglione, MD  
11:25 am Meniscus Transplantation: State of the Art 2016 and Beyond  
Brian J. Cole, MD, MBA  
11:35 am The Cartilage Defect in the Athlete’s Knee: What We Should and Shouldn’t Do  
Jack M. Bert, MD  
11:40 am Innovation Spotlight: Subchondroplasty for Bone Edema  
Douglas J. Wyland, MD  
11:45 am – 12:00 pm Panel Question and Answer  
12:00 pm – 1:00 pm Lunch on Own  
1:00 pm – 2:05 pm Session V: Knee Ligaments  
Moderator: Jack M. Bert, MD  
1:00 pm – 1:14 pm ACL Reconstruction Controversies  
1:00 pm Allograft ACL Should Be Abandoned as a Technique  
Craig R. Bottoni, MD  
1:07 pm Allograft ACL is Just as Good of an Option: Even in Young Athletes  
Thomas R. Carter, MD  
1:14 pm Innovation Spotlight: The Role of the ALL in Knee Stabilization  
Robert B. Litchfield, MD  
1:20 pm – 1:41 pm The Multiligament Knee: A Mini-Symposium for Getting this Right  
Moderator: Gregory C. Fanelli, MD  
1:20 pm Evidence Based Management principles of the Multiligament Knee  
Bruce A. Levy, MD  
1:27 pm Innovation Spotlight: The 5 Most Important Technical Lessons I Have Learned in Managing the Multiligament Kneec  
Gregory C. Fanelli, MD  
1:34 pm Managing the Corners: Repair, Augment or Reconstruct?  
Robert F. LaPrade, MD  
1:41 pm The Skeletally Immature Unstable Knee: What You Must Know in 2016  
Matthew R. Schmitz, MD  
1:48 pm – 2:05 pm Panel Question and Answer
