

Jasmine Cross '13, Duke DPT '18

Major: Evolutionary Anthropology, Concentration in Anatomy &
Paleoanthropology

jasmine.cross@duke.edu

Freshman Year

Fall 2009

Chem 31L - General Chemistry I (with lab)

Math 31 L - Laboratory Calculus I

Psy 11 - Introductory Psychology

First Year Seminar - Portuguese 49S

Spring 2010

Chem 151L - Organic Chemistry I (with lab)

Spanish I - Elementary Spanish I

Statistics 101 - Data Analysis/Stat Infer

Writing 20 - Philosophies of Friendship

Sophomore Year

Fall 2010

AAAS 106 - Intro African/African American Studies

Evanth 93D - Intro to Evolutionary Anthropology

Math 32L - Laboratory Calculus II

Spanish II - Elementary Spanish II

Spring 2011

Bio 46 - AIDS/Emerging Diseases

Evanth 171D - Primate Sexuality

HumanDev 124 - Human Development

Spanish 63 - Intermediate Spanish

Summer 2011

Chem 152L - Organic Chemistry II (with lab)

Junior Year

Fall 2011

Bio 47 - Biology of Dinosaurs

Chem 32L - General Chemistry II (with lab)

Evanth 120 - Food for Thought

Evanth 147 - Bodies of Evidence

Spring 2012

Bio 101L – Molecular Biology (with lab)
English 189 – Special Topics in Film
Sociology 163 – Aging & Health
WomenSt 290S – Teaching Masculinities

Summer 2012

Evanth 133L – The Human Body (w/ lab)

Senior Year**Fall 2012**

Evanth 334L – Human Osteology
Evanth 530 – Human Functional Anatomy
PhysEdu 205 – Health Effects of Exercise
Physics 141L – General Physics I (with lab)

Spring 2013

Bio202L – Genetics & Evolution (with lab)
English 212S – Art of the Essay
PhysEdu 204 – Women's Health Issues
Psy 212 – Forensic Psychology

Post Graduation

*the following prerequisite courses were completed at NC State University (Raleigh, NC) while I applied to PT school.

Summer 2014

PY 212 – College Physics II (with lab)

Fall 2014

Bio 421 – Adv Human Anatomy & Physiology II

*Note: Human A/P II at NC State focused on human physiology. Because I had already completed anatomy at Duke, I was able to bypass the first course in this sequence (Human A/P I), which focused on human anatomy.

PT Observation Hours Completed at:

- Duke Football Athletic Training Room (Durham, NC)
- PruittHealth – Carolina Point (Durham, NC)
- InsideOut Body Therapies (Durham, NC)
- Pivot Physical Therapy (Cary, NC)

Duke DPT Prerequisites (*italicized on the schedule above*)

- Anatomy (1 semester / 3 credit hours)
- Physiology (1 semester / 3 credit hours)
- Biology (2 semesters / 6 credit hours)
- Chemistry (2 semesters / 6 credit hours)
- Physics (2 semesters / 6 credit hours)
- Psychology (2 semesters / 6 credit hours)
- Statistics (1 semester / 3 credit hours)
- Humanities (3 semesters / 9 credit hours)
