DUKE UNIVERSITY SPORTS MEDICINE

DIVISION I ATHLETICS SPORTS PHYSICAL THERAPIST FELLOWSHIP

<http://ptot.dukehealth.org>

ABOUT THE PROGRAM

Duke University Health Systems Department of Physical Therapy and Occupational Therapy Sports Physical Therapist Fellowship is the first credentialed APTA post-professional sports fellowship program in the nation for physical therapists and began its inaugural year in 1999. This a 12 month program which begins August 1st of each year.

The mission of the fellowship is to provide an in depth experience in the sports medicine management of athletes. *This is highlighted by the daily management of the defined subspecialty, Intercollegiate Division I Athletics.*

Dynamic sports medicine experiences range from “on the field management,” clinic rehabilitation and educational opportunities with the sports medicine team with access to state of the art facilities. The Duke Sports Medicine Outpatient Orthopaedic Clinic provides additional opportunities to train in one of the nation’s premier sport rehab centers.
