

Duke Physical Therapy, Occupational Therapy, and Speech Pathology and Audiology

Your rehab needs, our treatment solutions – in a location close to you.

Duke’s expert rehabilitation therapists provide collaborative, cost-effective outpatient rehabilitation options for people of all ages with musculoskeletal, cardiopulmonary, neurologic, women’s health, or developmental conditions. For more information, visit dukehealth.org/physicaltherapy or dukehealth.org/speechpathology. To schedule a physical therapy or occupational therapy appointment, call 866-996-PTOT. To schedule a speech pathology and audiology appointment call 919-684-3859.
