

Duke Physical Therapy, Occupational Therapy, and Speech Pathology and Audiology

Your rehab needs, our treatment solutions – in a location close to you.

Duke’s expert rehabilitation therapists provide collaborative, cost-effective outpatient rehabilitation options for people of all ages with musculoskeletal, cardiopulmonary, neurologic, women’s health, or developmental conditions. For more information, visit DukeHealth.org/PhysicalTherapy or DukeHealth.org/SpeechPathology. To schedule a physical therapy or occupational therapy appointment, call **866-996-PTOT**. To schedule a speech pathology and audiology appointment, call **919-684-3859**.
