

# V/AR-DHI Summer Institute 2018 CFP

---

*Duke University*

## *Applicant Information*

---

### **Applicant Name\***

*Character Limit: 250*

### **Applicant Email\***

*Character Limit: 254*

### **Applicant Title\***

*Character Limit: 150*

### **Institution name\***

*Character Limit: 250*

### **Correspondence Address\***

*Character Limit: 250*

### **Additional Contact Information**

(Skype, Phone, etc.)

*Character Limit: 250*

## *Project*

---

### **Existing Project Title**

*Character Limit: 250*

### **Existing Project Description**

*Character Limit: 2500*

### **Relevance to Call**

How are you using Virtual and Augmented Reality for the Humanities in your work?

*Character Limit: 600*

### **Critical Engagement**

What critical questions do you think VR/AR practitioners need to engage with for purposes of humanities research and presentation?

*Character Limit: 600*

## Hardware and Software

What specific hardware and software tools are currently used and what areas do you wish to develop?

*Character Limit: 600*

## Benefit

How would participating in this workshop help move your work forward?

*Character Limit: 500*

## Peer Learning (Group)

How can your peers learn from your work? Could you contribute any particular expertise or hands-on workshop session to the group?

*Character Limit: 600*

## Peer Learning (External)

How will your digital work address non-digital peers in your art historical subfield? What aspect(s) of the problems you are working on will help engage your peers?

*Character Limit: 600*

## Continuing Participation

We expect to continue the conversations begun through this opportunity from Spring 2018 (post-selection) through 2019. Do you anticipate being able to participate?

### Choices

Definitely Yes (1)

Probably Yes (2)

Might or Might Not (3)

Probably Not (4)

Definitely Not (5)

## Current Project Documentation A

Please provide any relevant links to content as well as any reviews, etc. **NOTE:** We ask you to upload documentation in the next question, but if you want to share very large files, please use a downloading service, Google Drive, Dropbox, etc., and provide relevant links.

*Character Limit: 600*

## Current Project Documentation B

Please upload additional documents, images, sample shapefiles and/or models or other materials to support your application. (ZIP up any multi-part files)

*File Size Limit: 20 MB*

## CVs/Resume

(PDF)

*File Size Limit: 2 MB*

## **Additional Information or Comments**

*Character Limit: 600*
